

JSU/NCAS_HU Summer 2004

Numerical Weather Forecast Workshop

Department of Physics, Atmospheric Sciences, and General Science
Jackson State University, Jackson, MS

General Eligibility: Undergraduate students, graduate students majoring in atmospheric science or in related fields; Researchers and Faculties interested in numerical modeling, synoptic and weather observations. Applicants should have a letter of recommendation sent to one of the contacts listed below by June 30, 2004.

General description: An five-day workshop focusing on the introduction of numerical weather forecast, Weather Research and Forecast (WRF) installation and real-time running. The speaker from NCEP/NOAA, FSL/NOAA, and UIUC are expected to present their studies in this field. An detailed hand-on session for WRF modeling will be provided. A \$100 registration fee is due, payable on-site.
